Please arrange your own "swaps" but any problems contact Maureen 01572 756477 maureen@mildner.co.uk

Please would you also check when you arrive at church whether Raymond is present and the correct number of Ministers are available. I do usually contact the relevant people if I know Raymond will be away.

Reminder....number three is only required if Raymond is away or if one or two have asked for a "swap"but needs to be present in case .
