*May I remind Ministers about procedure for leading a Service of the Word.  
 It isn't very often that we need to conduct these services so we may not be familiar with these facts. Remember to check that microphone is switched on and adjusted so that everyone can hear.*

*Preparation is obviously key to a calm and worshipful service so we need to check whether it is a feast day and what current matters need praying about in the bidding prayers. Unless it is absolutely impossible three Ministers should be part of the service as per your order of service. One leader, one reader and one minister of the Eucharist.*
