The Ten Million On 23rd September 2022, at 11.41 am, thousands of people across the UK stopped for a minute of silence to commemorate the ten million lives that have been lost to abortion across Great Britain since the Abortion Act was introduced in 1967. Right To Life UK have released a short two-minute video called *The Ten Million*, which attempts to illustrate what the UK has lost through the death of these millions of people. They are encouraging people to share the video with friends and family who may find it of interest: www.righttolife.org.uk/thetenmillion
We pray for all expectant mothers. We pray for an overwhelming sense of hope and joy to fill their lives, and for increased support to be given by their family, friends and local communities, as they journey through this life-changing experience. Lord hear us.
