The Church's policies about safeguarding say that anyone who has ministry with children, young people or vulnerable adults should have some basic safeguarding training before or during the time they carry out that ministry. On **Wednesday 25th February between 7.00pm – 9.00pm** John Creedon, the safeguarding coordinator for the diocese, will be coming to St Joseph's to lead this training for our parish. Everyone involved with children or vulnerable adults in the parishes should make a special effort to attend this event.

Car Park Update

Oakham School have now started the works to the rear of the Presbytery and will continue to the front part of the car park next week. The car park, therefore, will be out of commission during the following times (although much is dependent on current weather conditions):-

- Monday 9th and Tuesday 10th February
- Monday 16th February for 2 weeks – although Oakham School are hopeful, weather permitting, that they may complete the works in a shorter time.

You can park in the Oakham School Estates yard in Station Road, however, those with severe mobility problems can park on the other side of the Church – I would ask those that usually park there to please park in Estates yard.

Please contact me if you have any queries. Sarah Archer
